

REMARKS

The Examiner has indicated that claims 8, 17 and 18 contain allowable subject matter. Thus, in the interest of furthering prosecution Claim 8 has been re-written in independent form. Claim 17 has been re-written in independent form and now recites the features of claims 1 and claim 2, from which it previously depended. Claims 4, 5 and 16 have been amended to depend from re-written claim 17. Claim 18 has been amended to recite the features of claim 7, from which it previously depended. Thus, all of the claims contain allowable subject matter. No further search or examination is required and no new matter has been added.
